CRAWLING INSECT KILLERS

HOUSEHOLD INSECTICIDES

چھوڑے گا نہیں مارے گا
چُن چُن کے !!!

MOUSE & RAT KILLER:

1. Rats and mice can breed rapidly and adapt quickly to changing conditions - so the key is to take action immediately.
2. King Mouse & Rat Killer Glue Trap is the best solution for killing rats.
3. For effective result place a bait at center of rat glue trap.
4. Best for both indoor and outdoor.

How to use :

- Open the sticky boards and then follow the correct steps to trap rats.
- Buttons inside are designed to prevent the board from sticking together, please remove it before using.
- To make the glue more sticky, please fold the board and press out with force, and then open it.
- put some baits such as butter or peanuts to increase the temptation effect for mouse and rats.

Note: Single trap is for one time use only.
